

'Surfs Up'

March 2010

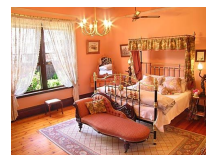

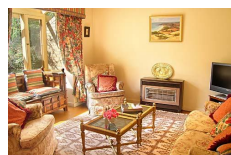

What a great concept for a surfside apartments name down on the south coast of Adelaide, only 1 hour from the centre of the city.

We hired the newly opened apartment over the March long weekend from our hosts, The Colton Family, for our son William's 17th Birthday, as he was keen to celebrate it surfing with a few of his mates from college.

They had a superb time on the classic beaches, Petrel Cove, Boomer Beach and Horseshoe Bay, with their body boards and fins.

Having now tried all of the Colton's sea side escapes it has become hard to choose which one?
